BBCR requires you to fill out and sign Foster Application/Contract, as well as have a home inspection. BBCR staff can refuse a foster at any time for any reason. BBCR fosters can refuse a foster at any time for any reason. BBCR staff will inform you of any medical treatments to be administered, the anticipated length of the foster-care period, the objectives of each particular placement (restoring health, rearing to adoptable age, socialization, etc), any any other restrictions or expectations we may have. BBCR fosters are expected to keep the animal safe and secure, return it to BBCR when requested to do so, meet with potential adopters, transport to veterinary appointments, provide food and adequate exercise, and otherwise care for the animal. BBCR fosters shall not promise a dog to any potential adopters or imply that they have any say in the adoption process. BBCR retains ownership of all dogs placed in foster-care and will make all decisions regarding adoption, placement, and medical treatment of the animal(s) being fostered. Unless otherwise arranged, BBCR foster is responsible for providing all food, bedding, and toys for the animal while in foster-care. The foster parent is responsible for transporting animals to and from BBCR and/or BBCR approved veterinarians as needed. The foster parent may also be responsible for transporting dogs to/from adoption events as requested. The foster parent is also responsible for arranging meetings with potential adopters in a timely manner. Foster parents are requested to provide routine updates as well as insight into the foster animals personality and behavior. BBCR foster dogs are NOT permitted to attend dog parks of any kind
